## THERAPEUTIC SERVICES FOR CHILDREN

PO Box 567042  
Atlanta  
(770) 393-3939

**CLAY WHITE, LLC** is made up of many Master's level professionals dedicated to providing additional therapeutic services to children already receiving occupational therapy, physical therapy, and/or special education services. They offer Sports Programs (floor hockey program for this winter January 13 to March 3), Social Club Programs, an occupational therapy sensory integration Summer Day Camp & PEOTSI® Adaptive Sports.

PEOTSI® Sports is an adaptive PE program for children receiving occupational therapy due to mild sensory integration dysfunction. Part instructional league, part PE class, it gives these children the chance to compete vigorously among "motor peers" in sports, such as soccer & floor

hockey. They participate in tournaments and receive trophies. Adaptations are made to the playing field and equipment, but the fun and excitement are the same. It is for children ages 5-12 who receive occupational therapy. [Visit: www.claywhite.us](http://www.claywhite.us)

## MUSIC LESSONS & RECORDING STUDIO

227 Sandy Springs Place NE  
#362, Sandy Springs  
404-458-6382

Music truly is the universal language. **META MUSIC EDUCATION** provides music lessons for people of all ages and abilities, even those who thought they could never learn to play. Their non-traditional approach is highly effective for those looking for a more modern take on music education, and their rapid growth indicates that it is working. They teach music lessons through a unique style that blends the 'language immersion' and 'learn through play' philosophies in order to accelerate the learning process in a way that is personalized to each student.

Importantly, Meta Music Education encourages their students to explore several instruments - including electronic music production. The in-house recording studio also allows students to jam, collaborate, or even learn by building an entire song by themselves. Song by song, they inspire their students to appreciate the thrill of making music while instilling in them the power of self-expression. ## PREMIER HEARING BOUTIQUE

4939 Lower Roswell Rd  
Bldg A, #107, Marietta  
470-485-4327

Have you ever wondered why everyone else mumbles? Dr. Melissa Wikoff at **PEACHTREE HEARING, LLC** has been helping people understand their hearing abilities for many years. Your hearing characteristics are evaluated with state-of-the-art equipment and your hearing abilities are discussed & reviewed with ample time for questions. Recommendations for hearing assistance are made based on individual need for performance, cost and cosmetics. Dr. Wikoff welcomes the challenge of working with individuals who have unique hearing problems and helps them with the latest in digital hearing technology.

Peachtree Hearing provides comprehensive evaluations of a wide range of specialized problems for hearing loss and the annoyance of "ringing in the ears" including hearing loss, balance disorders, ear wax removal & tinnitus.

You can listen to several hearing instruments, computer-programmed specifically for your individual hearing loss and evaluate their performance. They offer a wide range of technologically advanced hearing aids, including direct-to-iPhone, invisible options, and rechargeable batteries. Dr. Wikoff uses her knowledge and expertise to help select the best solution for you. Peachtree Hearing volunteers throughout the community and gives educational seminars on hearing loss.
